For extra nights after the retreat. These are Mr Yande's special rates for Flametree guests who book with him directly. Where a room shows only a one-person price, ask him for the price for two. We are checking whether the rates also apply before a retreat, for next time. They are lower than the normal price: a standard room is Rp 700,000 instead of Rp 850,000. Ask him to confirm what is included when you book, and pay him in rupiah. Other places nearby: **Sea Breeze** (+62 853-3781-1031), **Amarta Beach** (+62 819-3917-1221), and **Candi Beach Resort** for a full international hotel. Dollar figures move with the exchange rate.
